VESTED IN THE COMMUNITY

Charting a Course to a Better Community... Is not just a catchy slogan for our firm. We are dedicated to developing unique relationships with local and national organization who share our passion for making a positive impact in our community. If you want to share in this commitment, ask how we can bridge the gap for your company or organization.

VESTED INTEREST CONSULTING

About Us

VESTED IN BUSINESS

Are you a new or existing business owner looking to improve your business or service offerings? Maybe you've found a profitable hobby that is starting to compete with your time and replace your current income. Vested Interest is dedicated to help you strategically take your business to the next level in excellence.

We walk you through the process of building a solid business plan for the future. From marketing strategies to team development; asset protection to financial best practices; we'll be there to help you succeed. We'll help you identify key challenges as well as assist you in celebrating the important milestones along the way.

We work hand-in-hand with our business principals, providing them with the freedom to run their business while assisting them in communicating with government agencies, investor relations, asset protection and research.

"Failing to plan is planning to fail." This old adage rings true, especially in business. Like an architect, Vested Interest Consulting Firm, will work with you in the details while helping you keep your eyes on the big picture.

Vested Interest offers a full range of management and consulting services that can improve your business performance and

endeavors in meeting your mission goals and objectives.

Consulting services may include providing expert advice, assistance, guidance or counseling in support of agencies' mission oriented business functions. This may include studies, analyses and reports documenting any proposed developmental, consultative or implementation efforts. Examples of consultation include but are not limited to: strategic, business and action planning; high performance work; process and productivity improvement; systems alignment; leadership systems; organizational assessments; performance measures and indica-

tors; program audits, evaluations, and customized training.

VESTED IN NON-PROFITS

With more than 13 years experience in Non-profit management and development, Vested Interest will be your partner in the community. Whether your passion is in assisting the elderly, or providing music camps for disadvantaged youth. Vested Interest will help you succeed.

We'll help you navigate through the non-profit approval process and assist you in bridging the gap between government, corpo-

rate, and philanthropic funding sources.

Additionally, if you have been called to start a church or looking to reenergize an existing church, you have come to the right place. Vested Interest specializes in giving you the tools to launch a new thriving, healthy, well-balanced church.

We have a variety of workshops to assist you and your launch team with getting the right people on your team, building momentum, "Putting the first thing first, benchmarking, and making your church attractive to the masses.

We also assist churches with developing new ministries, designing outreach and marketing strategies, as well as empowering the congregation to serve.

Contact Vested Interest for more details on how we can assist you in building a in the Kingdom.
